Combat Veterans to Careers was founded in 2012 to serve the ever-growing number of Post 9/11 combat veterans transitioning from military service to civilian life. An anticipated 500,000 plus service members will be exiting the military every year for the next 5 years. Our community-based model provides 360 degrees of support to the veteran and his or her family with four major areas of focus: Education, Employment, Wellness & Housing with a foundation of developing strong financial independence. CVC has developed an integrated approach delivered on an individual basis to ensure that veterans and their families are able to succeed.

Your participation in the 5th Annual Battle Buddy Golf Tournament, in support of Combat Veterans to Careers, ensures we are able to successfully fulfill our mission. Thank you for your belief and trust in Combat Veterans to Careers. Together we can continue to provide the men and women who have dedicated their lives to defending the freedoms we enjoy as Americans, with the support they deserve and assist them in achieving a satisfying life after service.

Very respectfully,

David Booth

RULES

Definition: “Step Aside” is another name for a Florida scramble. Members of each 5-person team in the tournament play a scramble, but the golfer whose ball is chosen for each shot has to sit out the next stroke.

Example: Players A, B, C and D tee off. Player B’s drive is chosen as the team drive. Player B has to “step aside” - to sit out - on the next shot.
